## About The Arc Jacksonville

### A Vision of Opportunity

Since our founding in 1965, The Arc Jacksonville has impacted the lives of thousands of individuals and families, pioneering innovative new approaches, and serving as a catalyst for change.

From our grassroots beginnings, we have grown into a respected community partner that serves more than 500 individuals a day—offering a full range of education, employment, residential, and advocacy services that empower individuals to achieve their full potential.

### Empowering the Possible

At The Arc Jacksonville, the individuals we serve want what we all want. A place to call home. A good education. Meaningful employment. A supportive community with opportunities for socializing, recreation, and independence.

Whether they are working at jobs in the community, learning how to live independently, or participating in a variety of recreational programs, our participants enjoy a full range of life experiences in a nurturing and supportive environment.

## About Dinner with Bill & Friends

The focus of *Dinner with Bill & Friends* is to celebrate and inspire change – the core of The Arc Jacksonville since our founding more than 56 years ago.

More than 500 business and community leaders attend each year. Guests will enjoy networking, cocktails and hors d'oeuvres, with dinner and program following. The night will be capped off by a dessert reception and live music.

In sponsoring *Dinner with Bill & Friends*, you will celebrate the achievements of all individuals and help sustain much needed programs in our community.

*Dinner with Bill & Friends is in memory of an early ambassador for people with intellectual and developmental differences, Bill Sackter. Bill spent much of his life in an institution and, when eventually moved into the community, he spoke often of the need we all have for "a good friend, a good job and a good home."*
